Ch 2, turn. **2nd row:** (Worked very loosely.) * Skip 1 d c, s c in next, picking up only the front loop of each d c, repeat from * across ending with 1 s c in turning ch (71 s c). All s c's are worked into the front loops of sts in previous row, and are made very loosely. Ch 3, turn. **3rd row:** Working according to gauge, make 2 d c in each s c, picking up both loops of each s c. All d c rows are worked according to gauge. Ch 2, turn. These last 2 rows constitute the pattern throughout this garment. **4th to 8th rows incl:** Work straight in pattern. **9th row:** Skip 1 s c, 2 d c in each s c across, excepting last s c (4 sts decreased—2 at each end), ch 2, turn. **10th to 27th rows incl:** Repeat last 6 rows 3 more times. There will be 126 d c in 27th row. Repeat last 6 rows 6 more times. There should be 154 d c in last row, and work should measure 14½ inches from beginning (if not, work straight for several rows until piece does measure 14½ inches, ending with a d c row).

Armhole: 1st row: Make 1 s c in every other d c, ch 3, turn. **2nd row:** Skip 1 s c, 2 d c in each s c across, excepting last s c (150 d c). There should be about 54 s c in this row. **28th row:** Skip 1 s c, 1 d c in next s c, 2 d c in each of next 16 s c, 1 d c in next s c (34 d c), ch 2, turn (to shape neckline). **29th row:** 1 s c in every other d c. **30th row:** Skip 1 s c, 1 d c in next s c, 2 d c in each of next s c to within 2 sts from end, 1 d c in 2nd s c from end, ch 2, turn. **31st to 37th rows incl:** Repeat last 2 rows, ending with a row of 2 s c. Break thread. Attach thread to 27th row in 19th s c from other armhole edge, and work other side to correspond, leaving the center 16 s c free for front of neck.

Sleeves: Ch 94, and work straight in pattern for 6 rows, ending with a s c row. **7th row:** Make 3 d c in each s c (138 d c). Work 4 rows straight. Then shape top of sleeve. **12th row:** 1 s c in every other d c, ch 3, turn. **13th row:** Skip 1 s c, 1 d c in next s c, 2 d c in each of next s c to within 2 sts from end, 1 d c in 2nd s c from end, ch 2, turn. Repeat last 2 rows until work comes to a point.

Trimming Bands: With White, ch 10, turn. **1st row:** S c in 2nd ch from hook and s c in each ch across. Ch 1, turn. **2nd, to 34th rows incl:** S c in each s c, ch 1, turn. Then on one edge only, decrease 1 st every row until all the sts are worked off. Make another band the same way. Make two more trimming bands the same as the previous ones but start decreasing on the 27th row. For center front, make a similar band (without decreasing) for 28 rows. Break off.

For the bottom of the blouse make five trimming bands without decreases, two each 32 rows long; two each 26 rows long and one 20 rows long.

To finish blouse sew underarm seams. Sew up sleeve seams (the first 6 d c rows), and sew sleeves in blouse. Work 2 rows of s c around neck edge and neck opening, making 3 ch-5 loops on left edge of opening for buttons. Turn under 2 d c rows at bottom of blouse and sew. Sew bands in place as in illustration. Sew buttons at back of neck to correspond with button loops.

Skirt

Back: Ch 209 (to measure 23 inches), turn. Work pattern as in blouse, decreasing 2 d c at both ends of every 12th row for 10 times. (Work should measure 25 inches, if not add more rows without decreasing). Then decrease 1 st at both ends every d c row until work measures 33 inches. Break off. **Front:** Same as Back.

Sew up side seams, leaving 4 inches open at left hip. Turn under 2 d c rows and make a hem at bottom of skirt. Work 1 row of s c around top of skirt. Sew belting to top of skirt on the inside. Work 6 rows of s c at each side of 4 inch opening (for placket). Fasten belting with hooks and placket with snap fasteners.

Harmony No. 1012

Size 34

Materials: J. & P. Coats Knit-Cro-Sheen (18 balls) any color desired. Knitting pins, 1 pair No. 3 (3 mm. size). 30 inch length of belting.

Gauge: For blouse (knit a piece about 3 x 4 inches in stockinette st and check up on gauge), 7 sts make 1 inch; 8 rows make 1 inch. For skirt, 7 sts make 1 inch; 7 rows make 1 inch.

BLOUSE

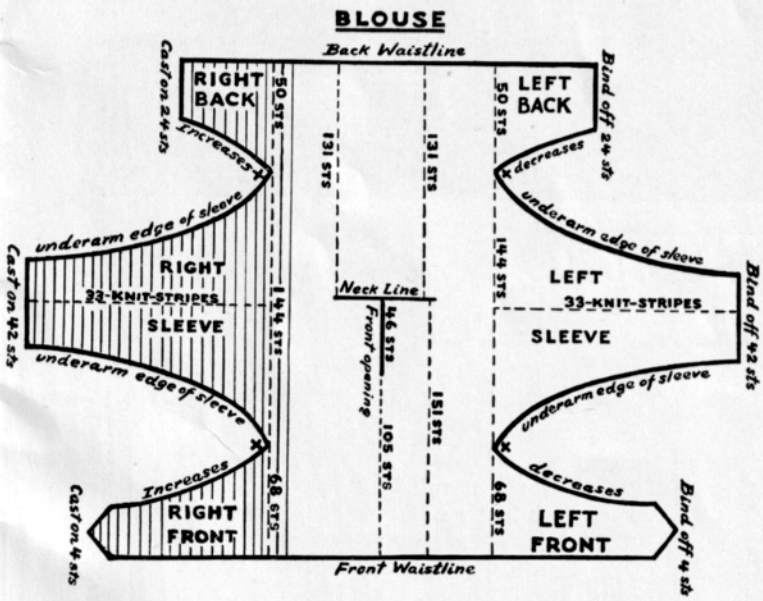
Entire blouse is made in one piece, and is worked up and down (not crosswise). Starting at wrist of right sleeve, cast on 42 sts. **1st row:** K across. **2nd row:** P across. **3rd row:** K across. These 3 rows constitute the pattern for entire blouse. (Mark one side of work with a colored thread to be referred to as right side of work hereafter.) Repeat these 3 rows (thus alternating a knit-stripe and a stockinette-stripe) until 10 knit-stripes (each knit-stripe consisting of 3 ridges) are made on right side of work. Then increase 1 st at both ends of every 4th row, until there are 90 sts on needle. Then increase 1 st at both ends of every 3rd row, until there are 104 sts on needle. Increase 1 st at both ends of every other row, until there are 120 sts on needle. Then cast on 3 sts at end of each row until there are 144 sts on needle, ending with the 33rd knit-stripe on right side. Place these 144 sts on a stitch holder and break thread four inches from work.

Starting at Right Back, cast on 24 sts and work in pattern until 2 knit-stripes are made on one side. Mark on this side of work at right hand edge where increases will be made, opposite edge to be kept perfectly straight to form back waistline. Increase 1 st every other row at this marked edge only, until there are 50 sts on needle. Ending with the 10th knit-stripe on right side of work (thus having pattern match to that on sleeve), place these 50 sts on a stitch holder and break thread.

Starting at Right Front, cast on 4 sts and work in pattern, increasing 1 st at end of each row until there are 30 sts on needle. Then work in pattern straight over these 30 sts until 8 knit-stripes (counting from point) are made on one side. Mark this side as right side of work. With right side of work toward you, mark left hand edge where increases will be made. Increase 1 st every 3rd row at this marked edge only, until there are 44 sts on needle. Increase 1 st every other row at this same edge, until there are 50 sts on needle. Then increase 2 sts every row at same edge, until there are 68 sts on needle, ending with a knit-stripe (thus to correspond with Sleeve and Right Back). Now place these three pieces in position (with right sides of work on top), as in diagram, and work in pattern across all three pieces, thus joining them together (262 sts on needle).

Work in pattern across these 262 sts until 6 knit-stripes are made.

Then to shape for shoulder line work as follows: **1st row:** Beginning at bottom of blouse, k 140, increase in next st, k 2, increase in next st, k remainder of row. **2nd row:** P across. No increases. **3rd row:** K 141, increase in next st, k 2, increase in next st, k remainder of row. **4th, 5th and 6th rows:** Work without increasing. **7th row:** K 142, increase in next st, k 2, increase in next st, k remainder of row. **8th row:** P across. **9th row:** K 143, increase in next st, k 2, increase in next st, k remainder of row. **10th, 11th and 12th rows:** Work without increasing. **13th row:** K 144, increase in next st, k 2, increase in next st, k remainder of row. **14th row:** P across. **15th row:** K 145, increase in next st, k 2, increase in next st, k remainder of row. **16th, 17th and 18th rows:** Work without increasing. **19th row:** K 146, increase in next st, k 2, increase in next st, k remainder of row. **20th row:** P across. **21st row:** K 147, increase in next st, k 2, increase in next st, k remainder of row. **22nd, 23rd and 24th rows:** Work without increasing. **25th row:** K 148, increase in next st, k 2, increase in next st, k remainder of row. **26th row:** P across. **27th row:** K 149, increase in next st, k 2, increase in next st, k remainder of row. **28th, 29th and 30th rows:** Work without increasing (282 sts). **Next row:** K 151 and place them on a stitch holder (to start neck opening), k remaining 131 sts. Work over these 131 sts in pattern straight (for back of neck) until 5 knit-stripes are complete and are ready to begin the 6th knit-stripe, ending row at bottom of blouse. Place these 131 sts on a stitch holder.



Transfer the 151 sts on needles and work 3 knit-stripes. Then beginning from bottom edge, k 105 and place them on a stitch holder, leaving 46 sts to be worked. Work over these 46 sts for front tie as follows: **Next row:** K 2 together across (23 sts on needle). Work in pattern over these 23 sts until 3 knit-stripes are worked. Then increase 1 st at both ends of every 3rd row until there are 29 sts on needle. Work 5 more knit-stripes, then decrease 1 st at both ends of every row, until 5 sts remain. Bind off.

To make opposite tie, cast on 5 sts. Increase 1 st at both ends of every row, until there are 29 sts on needle. Work 5 knit-stripes, then decrease 1 st at both ends of every 3rd row until 23 sts remain. Work 3 more knit-stripes. On next row, increase in every st (46 sts on needle). Pattern now matches row of 105 sts on stitch holder. Now work across the 46 sts and 105 sts in pattern (151 sts in all) until 3 knit-stripes are made, ending row at neck edge and are ready for 4th knit-stripe. Break off. Transfer the 131 sts of back on same needle (thus closing up neck line). Work 1 knit-stripe over these 282 sts. Now start shaping for shoulder line to correspond with other shoulder by decreasing sts (to decrease, k 2 sts together) where sts were increased in other shoulder. Hereafter complete remainder of blouse to correspond, by decreasing where increasings were made, and binding off sts where sts were cast on.

Sew the 24 sts cast on to the 24 sts bound off. This forms a band around front, underneath. Sew underarm edges of sleeves together, from wrist to "X" (see diagram). The two remaining ties are tied together at back.

SKIRT

Work entire skirt with double thread.

Back: Starting at bottom, cast on 150 sts and work in stockinette st (k 1 row, p 1 row), for 3 inches, ending with a p row. Then, * k 1 row, p 1 row, k 2 rows, p 1 row, k 1 row. Repeat from * until 5 knit-stripes (each knit-stripe consisting of 3 ridges) are made on right side of work. Working remainder of skirt in stockinette st, decrease at sides as follows: When work measures 8 inches, decrease 1 st at both ends of next row. Work 2 inches straight. Decrease at both ends of next row (146 sts). Then decrease at both ends of 1 row every inch, until work measures 18 inches (130 sts). Decrease at both ends of every 6th row until work measures 32 inches (92 sts). If a longer skirt is desired, work straight thereafter.

Front: Cast on 170 sts and work as for back decreasing at sides in the same way. Sew up side seams, leaving a 4 inch side opening on left hip. Adjust belting to your waist measurement and sew inside at waist. Fasten side opening with snap fasteners. Turn under a 1 inch hem at bottom of skirt.

Dainty edgings give a delightfully feminine air to handkerchiefs and lend grace to guest towels and linens. For the handkerchief edgings, use J. & P. Coats Tatting Cotton; or Clark's O.N.T. or J. & P. Coats Mercerized Crochet in the finer sizes from 50 to 100. For linen trimmings, use the Mercerized Crochet in sizes 10, 30 or 50. For bath towels and for edgings on heavier materials, use J. & P. Coats Knit-Cro-Sheen. Steel crochet hooks are to be preferred, and for the finer threads use about a No. 10 or 11 and for the heavier threads a 5 or 6.

center shell), s c in 3rd d c of next shell, ch 5, repeat from * across, ending row with ch 5, s c in last loop, ch 7, turn (this row completes a row of blocks). **6th row:** S c in first loop, * ch 5, s c in 3rd d c of shell, ch 5, s c in next loop, repeat from * across (29 loops), then ch 2, 1 d c in next d c. Ch 7, turn. **7th and subsequent rows:** Repeat from the beginning of 3rd row, until 9 rows of blocks are made, (or until work measures about 8 inches from top of waistband, ending with a 5th row to complete blocks). **Next 2 rows:** Repeat 6th and then the 3rd rows.
To Shape Armhole: 1 s c in next ch-5 loop, 3 d c in next s c, 1 s c in 3rd d c of next shell, 3 d c in next s c, 1 s c in next loop, and work pattern across as usual (with 5 d c's for shells) ending row to correspond with beginning—that is ch 2, 1 d c in last st, turn. **Following row:** Sl st across to 3rd d c of 1st shell of 1st block. Work pattern across, ending row with 1 s c in 3rd d c of last shell. **Next row:** Sl st to 3rd d c of 1st shell, work pattern across, ending row with 1 s c in 3rd d c of last shell, thus decreasing ½ shell or ½ loop. Continue working in this manner until 1 block is decreased at each end (12 blocks to a row). Work without decreasing until 16 rows of blocks are made (or until work measures about 13 inches from top of waistband, ending with a row like the 6th row). **Next row:** Work like 3rd row, but make 3 d c for shells (in place of 5 d c). Break off.

Then repeat the 6th and the 3rd rows. **Next row:** Work like the 4th row, making 3 d c for shells (in place of 5 d c). Break off. Attach thread at neck edge and work the other side to correspond. Sew up shoulder and side seams having the ends of waistband with the buttonloops meet.
Finishing at Neck: 1st row: From wrong side of blouse, work a row of s c all around neck making enough s c to have work lie flat. Turn. **2nd row:** * S c in each of next 4 s c (picking up only the back loop of s c's), a ch-3 p, skip 1 s c, and repeat from * around. Break off.
Lace String. Make a chain about 15 inches long, turn and make s c in each ch st. Break off. Lace string in bottonloops.
Sleeves. Ch 111 and turn. **1st row:** S c in 9th ch from hook, * ch 5, skip 3 ch, s c in next ch, repeat from * across (27 loops), ch 7, turn. **2nd row:** S c in each loop with ch 5 between s c's. **3rd and subse-**

quent rows: Work in pattern until 8 rows of blocks are made. **Next row:** Decrease as for armhole at beginning and end of row (first 1 block and then 1 shell or 1 loop at both ends every row until 6 blocks have been decreased). Then, decrease ½ shell at each end until a complete block with a ½ block on each side remain. Break off. Make another sleeve.

Sleeve Band. Ch 20 and work as for waistband for about 8½ inches. Make another band. Sew sleeve bands to sleeves, leaving sleeve partly open at the elbow, then sew sleeves into blouse.

Next row: Attach color "B" (you should now be facing right side of work), and k across to within last st, increase in last st. **Following row:** K across to within last 2 sts, sl 1, k 1, pass sl st over k st. Repeat the last 2 rows 2 more times. Break off. **Next row:** Attach color "C" (you should now be facing the right side of work), and k 44, attach color "A" and k 18, attach color "C" (another ball) and k to within last st, increase in last st. Repeat from * until 3 stripes (each having 3 sections of colors) are made. Break off. This completes border. Now attach color "B" and work in garter st, increasing 1 st at end of one row and decreasing 1 st at end of next row, as usual, until scarf measures 28 inches along one edge. Break off. On next row, with right side of work toward you, attach color "C" and k 44, attach color "A" and k 18, attach color "C" (another ball) and k across to within last st, increase in last st. Complete remainder of border to correspond with the beginning. Bind off and fasten all threads securely.

row at outer edge only. Break off. Skip next 14 s c on 31st row, attach thread in next s c and work across next 9 s c, ch 1, turn and work to correspond with other pieces ending at outer edge. Do not break off, but ch 1, turn. **Following row:** 2 s c in 1st s c, s c in each s c across, ch 14, s c in each s c across other piece, making 2 s c in last s c. Ch 1, turn. **Next row:** S c in each s c, in each st of ch-14, and in each s c. Ch 1, turn. Then work 5 rows straight. Break off. This completes one side of bag. To make other side, attach threads to 1st row at bottom, and work across the foundation chain to correspond.

Flap: On one side of bag where the 14 s c were skipped, attach threads and work 12 s c in center. Ch 1, turn and work 5 more rows of s c over these 12 s c. Then increase 1 s c at beginning of each of next 5 rows. Then work over the first 5 s c only, for 6 rows (to start buttonhole), then decrease 1 s c at outside edge on each of next 2 rows. Break off. Attach threads to 8th s c from piece just worked and work another short piece to correspond, ending at outside edge. On next row, work 3 s c, ch 7, and 3 s c on other piece (thus closing up the buttonhole). On next row, work 3 s c, s c in each st of ch-7, and s c in each of next 3 s c. Ch 1, turn. Work 5 more rows of s c, decreasing 1 s c at beginning of each row. Break off.

Gussets: Ch 30, turn. **1st row:** D c in 3rd ch from hook and d c in each of next 15 d c, s c in each of next 12 ch. Ch 1, turn. **2nd row:** S c in each s c and d c in each d c. Ch 2, turn. Work 2 more rows, making d c in each d c and s c in each s c. Break off. Make another gusset same as this.

Inside Pocket: Ch 21, turn. **1st row:** S c in 2nd ch from hook, s c in each ch. Ch 1, turn. **2nd to 15th rows incl:** S c in each s c. Ch 1, turn. Sew pocket on same side where flap was made, about 1 inch down from start of flap. Place the s c end of gusset at bottom of bag and join the two edges with s c. Join other gusset the same way. Finish all around outside edges of bag, around each opening for flap, around flap and buttonhole, with a row of s c, inserting hook at base of s c's and working s c's closely together to prevent rolling. Pull flap through openings and sew button on bag to correspond.

Drop color B. **19th and subsequent rnds:** With color A, make s c in each s c until work measures 6½ inches from tip to edge of work (in the meantime, if a larger headsize is desired, increase a few sts.). Then work a rnd of s c inserting hook at base of s c's of previous rnd. Break off.

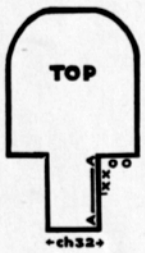
next s c, repeat from * (8 3-d c shells), ending row with skip 1 s c, s c in last s c. Ch 3, turn. **3rd row:** 2 d c in 1st s c, * skip 1st d c of next shell, s c in center d c of same shell, 3 d c in next s c, repeat from * across, ending row with s c in turning ch-3. Ch 3, turn. Repeat the 3rd row until work measures 3 inches. Then break off.

Then to shape top, work as follows: **1st row:** Ch 14, 3 d c in last s c of previous row, s c in center d c of next shell, and continue with pattern across the row. Then ch 15, turn. **2nd row:** 2 d c in 4th ch from hook, * skip 1 ch, s c in next ch, skip 1 ch, 3 d c in next ch, repeat from * once, skip 1 ch, s c in next ch, skip 1 ch, 3 d c in next s c, and continue with pattern across to end of ch-14, ending with s c in last ch st. (There will be 14 shells in all.) Ch 3, turn. Work in pattern as usual for 23 rows. At end of 23rd row, ch 1, turn. **Next row:** S c in 2nd d c of 1st shell (1 shell decreased), continue in pattern across, ending with s c in 2nd d c of last shell of previous row. Ch 1, turn. Repeat last row, thus decreasing 1 shell at beginning of each row, until 4 shells remain. Break off. Sew oo to xx (see diagram). Sew other side to correspond.

Side Band. Ch 147 (to measure 18 inches), turn. **1st row:** 1 half d c in 3rd ch from hook, 1 half d c in each ch st across. Ch 2, turn. **2nd row:** 1 half d c in each half d c across. Ch 2, turn. Repeat 2nd row until band measures 3 inches. Break off. Sew one end of band to A—A of top (see diagram). Sew remainder of top to side band 1 inch from



upper edge so that the top of the band will lap over. Sew opposite end of band to the other side of top to correspond. This completes crown.

Brim. Holding right side of top towards you, attach thread to top side band at loose edge 4 inches in from seam where band was joined at back. **1st row:** S c in each half d c, increasing 1 s c in every 7th half d c (to increase, make 2 s c in 1 st), to within 4 inches from next seam. Break off. **2nd row:** Attach thread to the beginning of 1st row, but beyond 3 half d c (of band) of beginning of 1st row, work s c in each s c across increasing in every 5th s c, then make s c in each of next 3 half d c of band. Break off. **3rd row:** Same as 2nd row, but increasing in every 11th s c. **4th row:** Same as 2nd row. Work 8 rows without increasing, but always beginning 3 sts before the starting of previous row and ending with 3 sts beyond the end of previous row. Then work a row of s c holding the millinery wire across the edge of brim. Turn, and work another row of s c over the wire to give a cord effect.

shell, s c in center d c of same shell, 3 d c in next s c, repeat from * across, ending row with s c in turning ch-3. Ch 3, turn.

3rd to 11th rows, incl: Repeat 2nd row. At end of 11th row, ch 1, turn.

12th row: S c in 2nd d c of first shell (1 shell decreased), continue in pattern across, ending with s c in 2nd d c of last shell of previous row. Ch 1, turn. Repeat 12th row until 11 shells remain. Break off. To finish top, attach thread to beginning of foundation ch, and work a row of s c across the foundation ch making 1 s c in each st. Ch 2, turn. Work 2 more rows of s c's making s c in each s c of previous row. Break off. This completes one side.

Make other side the same.

Gusset Band. Ch 7, turn.

1st row: S c in 2nd ch from hook, s c in each ch across. Ch 2, turn.

2nd and subsequent rows: S c in each s c. Ch 2, turn. When work measures 15 inches, break off. Sew gusset band to one side of bag along the edges (excepting the top edge), easing any fullness of bag into band between the 12th row and the last row of bag. Sew other side of bag to this band on opposite side in the same manner, but at both ends of bag leaving open 1½ inches at the top for opening. Turn band under at side opening, to form a tapering line in order to avoid an extended piece of gusset at opening. Sew in lining and sew handles to bag.

Strap Handle: Using thread double, make a chain 24 inches long, turn and work a row of s c along chain and break off.

Slides. Make 2 pieces to hold handles in place by working the same way as the handles, only making each piece 1¼ inches long. Sew these pieces around handles to form slides. Attach handles as shown in illustration and slip one slide down each end of handle.

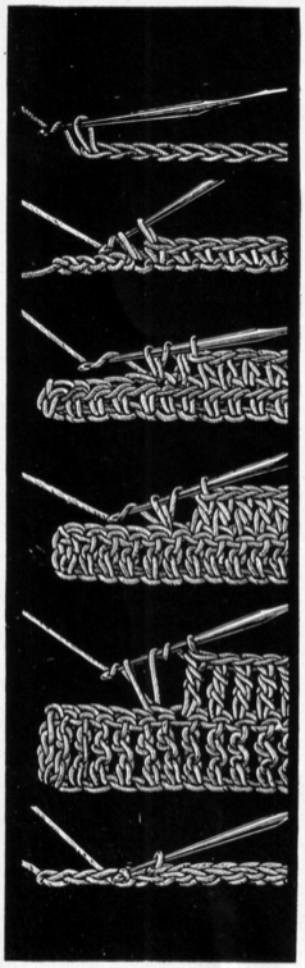
Join last s c with sl st to 1st s c. **2nd row:** * Ch 5, skip 2 s c (or more if necessary to have work lie flat), s c in next s c, repeat from * making 2 s c with ch 5 between in each corner s c. Join last ch 5 with a sl st to base of first ch-5 made. Break off. **3rd row:** Attach thread to a loop on one side, ch 7, d c in 4th ch from hook, 2 d c over the 3 ch, * d c in next loop, ch 3, 3 d c under the d c just made, repeat from * making corner as follows: D c in corner loop, ch 3, 3 d c under d c just made, d c in same corner loop, ch 3, 3 d c under d c just made, and repeat from * around. Join last d c to base of ch-3 first made. Break off.



Crochet Stitches and Abbreviations

Chain (ch). Make loop in thread, insert hook in loop, and draw main length of thread through. Continue to draw thread through each new loop formed until length desired.

Single Crochet (s c). Insert hook under 2 loops of st, draw thread through st (2 loops on hook), thread over hook, draw through the 2 loops.

Half Double Crochet (half d c). Make like d c until there are 3 loops on hook; then thread over and draw through all 3 loops.

Double Crochet (d c). Thread over hook, insert hook in st, and draw thread through (3 loops on hook), thread over hook, draw through 2 loops, thread over, and draw through the 2 remaining loops.

Treble (tr). Thread over hook twice, insert hook in st and draw thread through st (4 loops on hook), thread over, draw through 2 loops, thread over, draw through 2 loops, thread over, draw through remaining 2 loops. For a **Double Treble (d tr),** thread over hook 3 times; and for a **Triple Treble (tr tr),** thread over 4 times, taking off 2 loops at a time as in the tr.

Slip Stitch (sl st). Insert hook through st, catch thread, and, with one motion, draw through both the st and the 1 loop on hook. The sl st is used for joining, or when an invisible st is required.

Popcorn Stitch (pc st). Ch 1, 5 d c in next st, drop st from hook, insert hook back in ch-1 and draw loop through the one on hook.

Block (bl) and Space (sp). Make 4 d c over 4 sts of preceding row (this forms 1 bl), ch 2, skip 2 sts (1 sp). The bl and sp are used in Filet Crochet.

Picot (p). Make a ch of 3, 4 or 5 sts, according to length of p desired, and s c in the foundation or in the 1st st of ch.

Cross Stitch. Thread over twice, insert hook in st and draw thread through as for a tr (4 loops on hook), thread over, and draw through 2 loops, thread over, skip 2 sts, insert hook in next st, draw thread through (5 loops on hook), thread over and draw off 2 loops at a time 4 times, ch 2, 1 d c in the center point of the cross, thus completing the cross.

Cluster. Make 3 or more tr in the same st, always holding the last loop of each tr on the hook; then, thread over hook and take off all remaining loops. A tight ch st should then be made to fasten the cluster.

Knot Stitch. Draw loop out on hook ¼ inch, draw thread through, making a ch st of it. Put hook between loop and single thread of this ch and make an s c. Work another similar knot st, skip 4 sts of preceding row, 1 s c in next. Repeat from the beginning to end of row. Make 2⅜-inch knot sts to turn, 1 s c over double loop at right of 1st center knot of preceding row, 1 s c over double loop at left of same knot. 2 knot sts and repeat.

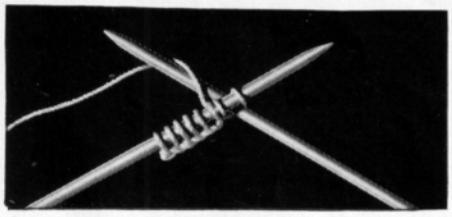
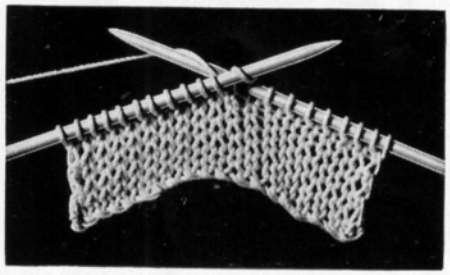
Simple Knitting Stitches

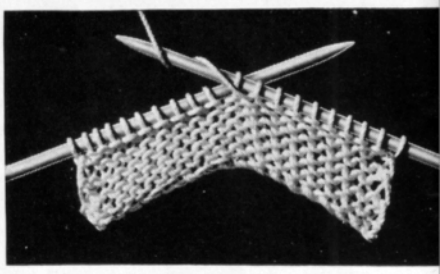


Casting On: Make a loop over left needle, pass right needle behind the loop, thread over right needle, draw through and place loop on left needle. Repeat for desired length.

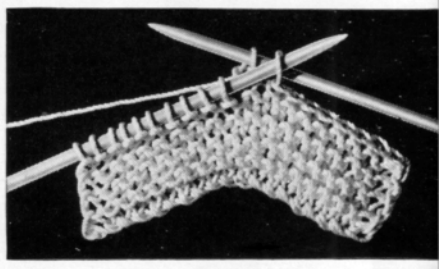


Knitting Plain: When desired number of stitches have been cast on, pass the right needle through the first loop, thread over, draw through and allow first stitch on left needle to slip off, and repeat until no stitches are left on left needle.

Purling: Bring the thread in front of both needles. Pass the right needle through the loop, forward and in front of the left needle. Thread over right needle and draw through, allowing stitch on left needle to slip off. Take care to place thread back of the left needle when changing to plain knitting.



Binding Off: Knit two stitches in regular way, slip the first stitch over the second. Knit another stitch and repeat until only one stitch remains. Break thread and draw it through this last loop.



Increasing: To increase a stitch, knit one stitch in regular way, but without slipping the stitch off the left needle, then knit another stitch through the back of same stitch and slip off.

Decreasing: To decrease a stitch, knit two together. Decrease the 2nd and 3rd stitches from edge to make an even edge.
